

2018 SPONSORSHIP REPORT

RECOGNISING HIGH ACHIEVING TRADE STUDENTS IN OUR LOCAL COMMUNITY

Tec-NQ Sponsorship supports **industry excellence in North Queensland** through support of our education and training programs and recognition of high achieving local apprentices and trade students employed by our vast network of local employers

2018 marked the beginning of the Tec-NQ Awards Scholarship Program and the restructure of Tec-NQ's Sponsorship Program.

We would like to take this opportunity to thank our 2018 sponsors and invite you to consider one of our \$250 / \$2000 / \$3000 levels of sponsorship for 2019.

PREMIER PARTNERSHIPS

In 2018, Tec-NQ's industry programs were supported by local Premier Partners Master Builders, BUSSQ, Cleanaway and Totally Workwear. Their investment supports Tec-NQ's Apprentice of the Year Gala Event which attracted 130 guests to recognising 24 apprentices nominated across 8 award categories. 23 local businesses were in attendance.

We welcome Master Builders, BUSSQ and Totally Workwear back as our Premier Partners in 2019. With 5 categories of sponsorship available, there are two sponsorship categories still available in 2019 - Automotive and Electrotechnology. The Apprentice of the Year Gala Event is being held on **Friday, April 5th**. Act quick if you are interested in sponsoring this prestigious event.

AWARD SCHOLARSHIPS

Award scholarships directly benefit the achievements of high achieving apprentices and trade students. With affordable academic and trade categories available, we've made it easy for sponsors to directly reward Tec-NQ's top performers.

Winner: **Jayden Clark**

*In Memory of Chrissy Caruna
1952-2009*

PERPETUAL ALL-ROUNDER STUDENT OF THE YEAR

Winner : **Luke Fraley**

If you are interested in establishing an award unique to your business, please contact us to discuss.

2019 TEC-NQ BOARD

And let's not forget our Board Directors. Tec-NQ's Board of Directors voluntarily diverts their payments into a scholarship fund for students demonstrating exceptional commitment to the senior school. The Tec-NQ community acknowledges this commitment by its Board of Directors and thanks them for their leadership.

David Retallick, Incitec Pivot	Board Chair, Outgoing Industry Director
Chris Taylor, Taylor Homes	Board Chair, Incoming Industry Director
Mick Williams, Suncorp	Director
Karl Brooke, Lendlease	Industry Director

Linda Venn, Education Consultant	Education Director
Cameron Landy, Commonwealth Bank	Director
Kevin Toomey, Ergon Energy	Industry Director

IN 2018 TEC-NQ DELIVERED THE FOLLOWING OUTCOMES WITH THE SUPPORT OF LOCAL INDUSTRY.

- 324 full time apprentices in training
- 87 apprentices completed their qualifications
- Supported training for 255 senior school students
- 26 senior school graduates transitioned directly to full time apprenticeships
- 62% of graduates transitioned directly into paid employment – 96% in their industry pathway
